Make the Most of Your Spare Time!

Become a Larkin Secretary

...AND...

Earn Money -- or Lovely Things for Your Home

By Organizing and Conducting

A LARKIN CLUB

It takes but a few moments to telephone a friend, or call on her, and invite her to join a Larkin Club. It takes but a few moments to make out an order and send it in. This is what a Larkin Club Secretary does. And, by using a little of your spare time in this way, you can earn REWARDS, — money or things you need for your home.

It is easy to do. Larkin merchandise and Larkin values are well known and well liked. For over sixty-nine years, home lovers throughout America have been buying needed things through Larkin Clubs. They enjoy the savings and the superior values Larkin gives.

Right in your community, you will find friends, relatives and neighbors who will be glad to join a Larkin Club. This is an opportunity for you! Start now, and make your spare moments profitable by organizing and conducting a Larkin Club.

There Are Three Club Plans — Choose the One You Prefer!

Larkin Cozy Home Club

A Convenient Way for You and Your Club Members to Buy Anything Offered in the Larkin Catalogs On Small Weekly Payments of 50c Each!

Secretary's Minimum Reward --- \$5

To start a Cozy Home Club, invite nine friends to join with you. Including yourself, this makes ten members. Each agrees to pay 50c a week for ten successive weeks. Each week one of the ten members has her turn to select \$5 worth of merchandise from the Larkin Catalogs. Turns are determined by mutual agreement.

You, as Secretary, collect 50c from each of the ten members for each order. Thus, you collect a total of \$5 each week. You fill out the order blank, and send order and remittance to us, — less your Reward. Rewards are fully explained in our Club Plan circular.

If the article a member selects is priced less than \$5, she will receive Larkin Merchandise Certificates for the difference.

If the article a member selects is priced more than \$5, she may purchase it by paying the additional amount.

Sometimes a member wishes to postpone selection of merchandise to which her Club Share entitles her. In this case, she may ask for a \$5 Merchandise Certificate. This Certificate is exchangeable for any merchandise shown in the current Larkin Catalog equivalent in value to the value of the Certificate. Members sometimes like to accumulate Certificates until they have enough to pay for a more expensive piece of merchandise.

At the end of 10 weeks, each member will have made her selection and the first series of the Club will have been completed. You then start another series.

Rewards Are Paid in Cash or Merchandise Certificates!

Larkin Neighborhood Order Club

You will find many friends and neighbors who, having used Larkin merchandise, and knowing its fine quality and value, would like to order just what they need from time to time instead of joining a regular Club and paying a certain amount each week. This is the advantage of the Neighborhood Order Club.

How to Conduct a Neighborhood Order Club

Make a list of your friends and neighbors. Call and show them the Larkin Catalog. Suggest every day needs such as Tooth Powder, Shaving Creams, Toilet Articles, Soaps, Cleansers, Food Products and other merchandise.

Nearly everyone will want several things. There is no limit to the amount each person may order, nor to the number of people in your Neighborhood Club. The minimum sized order on which a Reward is paid is \$5. Remember the larger your orders, the larger your Rewards.

One member may want Perfume, Cosmetics, Food Products or Cleansing Supplies. Another will want a new bedspread, an Edna May Dress, or an occasional chair, or a wardrobe. They will be glad to order these things through you and save money. You can see how easy it is to take orders for \$5 or more worth of merchandise each week.

You collect the money for the merchandise (plus transportation charges), fill out the order and send remittance to us, minus your reward. Rewards are fully explained in our Club Plan circular.

Rewards Are Paid in Cash or Merchandise Certificates!

LARKIN CLUB OF TEN

You and Your Club Members Will Enjoy the Club-of-Ten Way to Secure Larkin Merchandise on Monthly Payments of \$1.00 Each!

SECRETARY'S MINIMUM REWARD -- \$10

Through scores of years, the Larkin Club of Ten has been popular! It has a fascinating social appeal, for it helps make friends. The members usually get together once a month, visit, have a lunch, then a "business meeting" and the Secretary makes out the Larkin orders. Here too, members often show the Larkin merchandise they receive in their turns and oh—the exclamations of pleasure and delight you hear! Of course, it is not necessary to have these social gatherings, but what a lot of friendships and good times they develop!

How to Conduct a Club of Ten

2

Invite nine friends to join with you. Including yourself, this makes ten members. Each one agrees to pay \$1.00 a month for ten successive months. Each is entitled to a total selection of \$10 worth of Larkin merchandise. This may be made in either of two ways — to be decided upon at the beginning of the Club.

1

Each member may select \$1.00 worth of merchandise for each of the ten orders.

If she prefers, she may postpone selection, and take \$1.00 Merchandise Certificates instead. At the end of ten months, she will have received a total of \$10 worth of merchandise or Merchandise Certificates.

Each month one of the 10 members has her turn to select \$10 worth of merchandise from the Larkin Catalog. The turns are decided by mutual agreement. If the member prefers, she may take \$10 in Merchandise Certificates to be exchanged later for merchandise of equal value.

If a member selects merchandise priced higher than her share in the Club, she may purchase it by paying you the additional amount.

You, as Secretary, collect the \$10 each month, fill out the Order Blank, and send order and remittance to us, minus your Reward.

Rewards are Paid in Cash or Merchandise Certificates.

Transportation Charges

To give all our Secretaries and Club members the best possible values, we do not include transportation charges in our prices. These charges are to be paid by the Club members and customers. Therefore the Secretary should collect an additional amount to cover cost of transportation when she collects for the merchandise ordered.

The Freight and Express charges on a shipment should be divided among the members according to the goods ordered. If an entire shipment is sent direct to the Club member's home, she should pay the transportation on that shipment.

Larkin Prices

The prices listed in Larkin Catalogs are cash prices.

How to Remit Money

The remittance for your order should be by money order or check. Cash should be sent only if registered. In this way, you insure the safe arrival of your money.

Larkin Merchandise Certificates

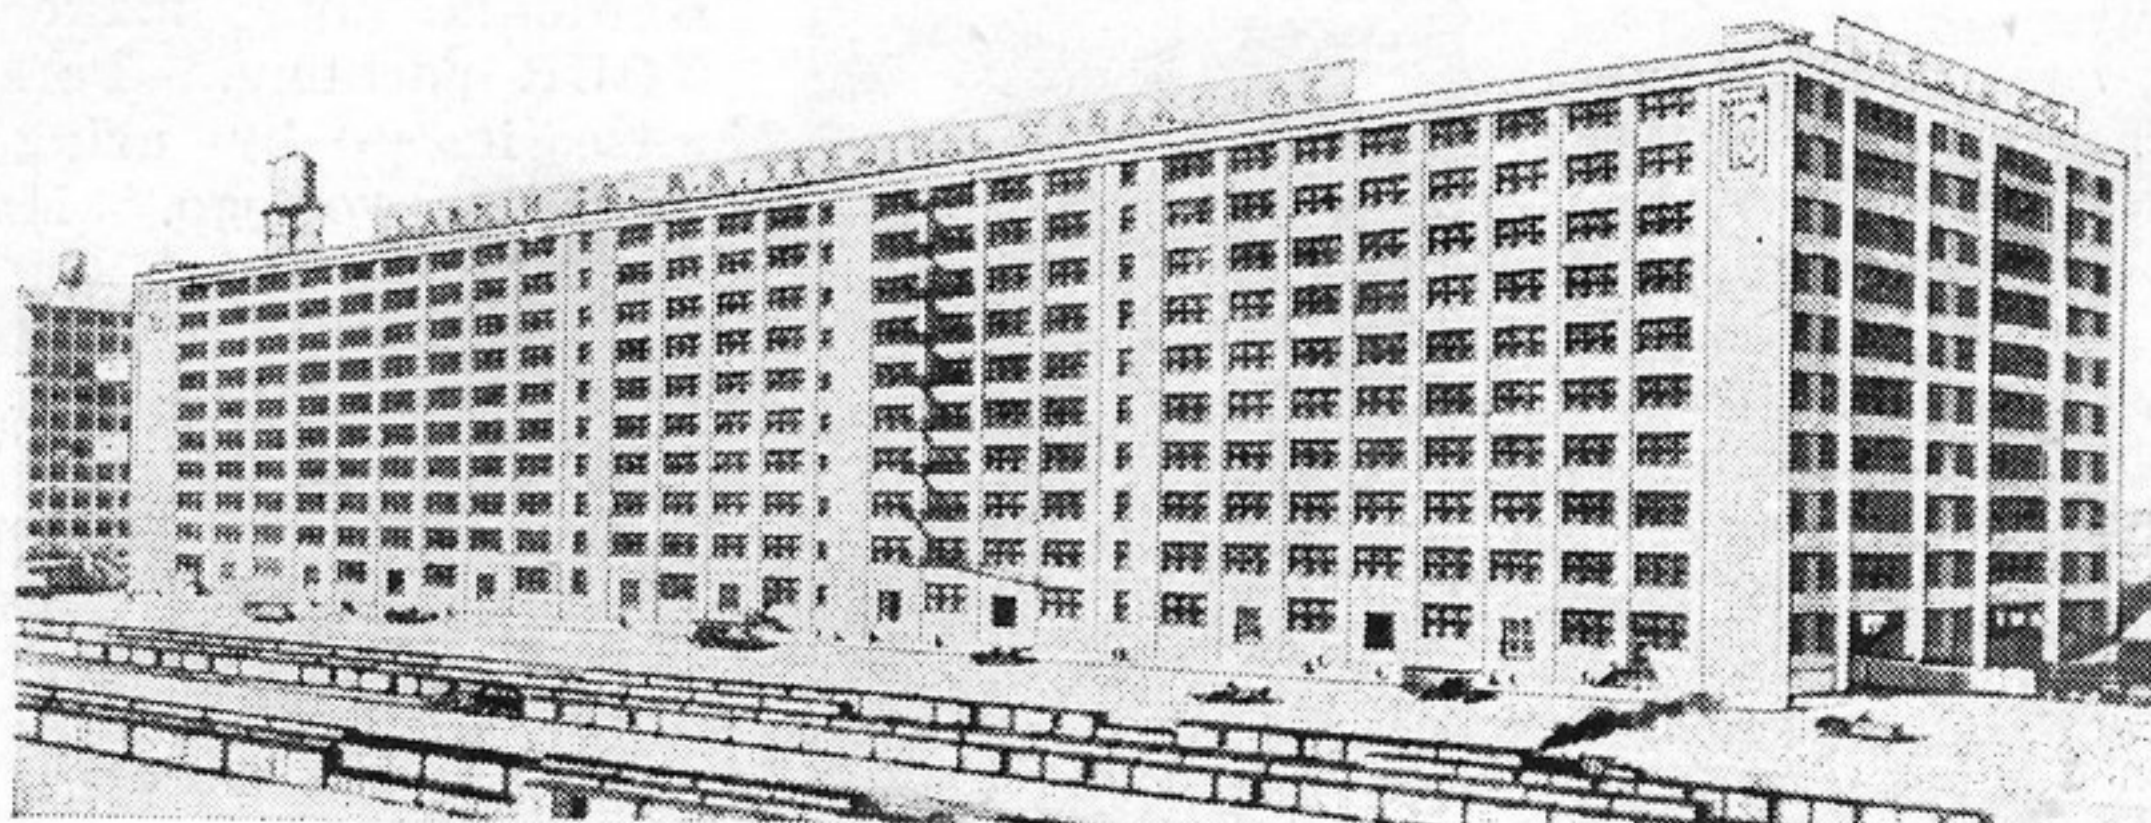

When, for some reason, a club member wishes to defer the selection of merchandise to which her club share entitles her, we send her Merchandise Certificates equal in value to her club share. These Certificates are exchangeable for Larkin merchandise equivalent in value to the face value of the Certificates.

Certificates are issued in denominations of 5c, 25c, \$1.00 and \$5.00.

To illustrate their use: A blanket offered at \$5.00 in the Larkin Catalog may be purchased with a \$5.00 certificate.

Write for our Club Plan Circular if you are not now a Larkin Secretary!

HOW TO FIGURE QUANTITY OF HOUSE PAINT REQUIRED

Repainting: Add length of both sides to the width of front and rear. Multiply this by the height to the eaves. Divide the result by 700 and you have the number of gallons of the body color required for one coat. **Exterior Primer:** To figure the number of gallons required for any wood not previously painted, divide the area of the house by 400. **Trimming:** One gallon is required for every five gallons body color.
